Technical comments:⁴

The Commission staff notes that H.R. 4596 and H.R. 4625 each would renew the expired duty reduction that was provided for in HTS heading 9902.01.03. Only one bill should be enacted. The Commission staff notes that the proponent of H.R. 4596, Bayer CropScience, has indicated that it is no longer interested in the renewal of HTS heading 9902.01.03.

⁴ The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
